

Name _____

An Earth Changing Erosion Activity

<http://www.kineticcity.com/mindgames/warper/>

Using the “Shape It Up” simulation to help you, draw what each landform would look like after the following periods of time. Then circle the force responsible for the erosion.

	<u>100 years</u>	<u>10,000 years</u>	<u>2,000,000 years</u>	<u>Force</u>
				Wind Water Volcano Glacier
				Wind Water Volcano Glacier
				Wind Water Volcano Glacier
